

Skill Mapping Session

A Session On Skill Mapping was conducted on 07-09-2026 in the Main Seminar Hall by Mr Prakash C H, MBA, MTech, Former Manager , Placement and Corporate Relations, Dayanand Sagar University, Bengaluru in which 110 students of 7th semester of all branches were present.

Prof. Parameshwarappa C M, Dean (Academic) and HoD of Computer Science and Engineering, STJIT in his keynote address emphasized the need for developing multiple skills and constantly upgrading them to suit the requirements of the job market as well as to establish any startups.

Mr. Prakash, in his interactive session, exhorted upon the students to prepare different profiles (resume) for different jobs in different companies. He stressed upon the need to have quality internships and work on multiple projects with specific outcomes. These, he said, are more important than the CGPA scores. He also advised the students to have some working knowledge of any foreign language (French / German / Japanese) and develop soft skills.
